

# CONCEPT™3

Building on the timeless appeal of the Concept™ fan family, Concept™3 is an avant garde update featuring a new ceiling canopy design and aerodynamic polymer blades. Beneath the surface Concept™3 incorporates Hunter Pacific's patented Slimline motor, giving a robust, reliable and energy efficient package suitable for every Australian climate.

## PRODUCT FEATURES:

- 1320mm (52") diameter
- Slimline Motor Technology (SMT)
- Polymer aerofoil blades
- Die cast Aluminium body and canopy
- Power usage: 15W to 59W
- Airflow: 14,114 m<sup>3</sup>/hr
- 3 speed wall control (*supplied*)

## Brushed Aluminium

with brushed silver polymer blades

(Product code: A3502)

## White

with white polymer blades

(Product code: A3501)

## Matt Black

with matt black polymer blades

(Product code: A3501)

## White

with white polymer blades

(Product code: A3506)

## Brushed Aluminium

with brushed silver polymer blades

(Product code: A3508)

## Matt Black

with matt black polymer blades

(Product code: A3507)

## Antique

with koa finished polymer blades

(Product code: A3505)

## CONCEPT™3 LED

Concept™3 LED includes all the benefits of the Concept™3 avant-garde update and includes an all new perimeter fed 24W LED light. Drawing upon the technology behind the Revolution®3 LED light this new Concept™ family member once again sets new benchmarks for performance and elegance.

### PRODUCT FEATURES:

- 1320mm (52") diameter
- Slimline Motor Technology (SMT)
- 24W LED dimmable light
- Polymer aerofoil blades
- Die cast Aluminium body and canopy
- Power usage: 15W to 59W
- Airflow: 14,144 m<sup>3</sup>/hr
- 3 speed wall control (*supplied*)
